- **Oral Presentations**: state of the art paper in urology education, practice, research, or administration; this session will be 30 minutes in length.
- **Posters**: Research, Clinical Practice, Case Study, Urological Topics of interest presented as a Poster which will be displayed on Saturday, June 27, 2020.
- You may submit as an individual presenter/poster author or multiple
- All abstracts must be 500 words or less and 12 font and submitted by email

- **Deadline for submission**: December 31, 2019.
- **Notification of acceptance will be provided by January 21, 2020.**

Submissions may include, but are not restricted to the following:

- Clinical approaches to the evaluation/treatment/management of specific urological conditions in children, adults, or the geriatric population.
- Development of staff or patient education programs related to urology
- Ethical decision-making in urologic practice
- Patient care in uro-oncology or nephrology
- Nursing research related to urological nursing practice
- A particularly interesting urological patient case study
- Doing a great job of teaching a urological procedure
- Have a new method of helping patients to learn?
- Getting good results in your practice at your institution?
- Perhaps you are ready to give an oral presentation of your research…..
- Perhaps you feel that a common sense approach to urological nursing is what is needed…..

**General criteria for consideration** are originality, clarity, and concise presentation.

**Research papers** will additionally be evaluated for:

1) Purpose of study
2) Method/Design
3) Results
4) Conclusions
5) Implications for nursing
