

March 16, 2020

After much careful consideration with the projected impact of COVID-19 and the health of this country, and by following the Health Canada and BC Ministry of Health's recommendations of no gatherings larger than 50 persons along with the cancellation of the CUA 2020 annual meeting, the UNC Executive board regrets to announce the UEC 2020 Meeting in Victoria is unfortunately canceled. This was a difficult decision to come to, however, for the safety of our members, conference attendees, hospitality staff, and all involved in the conference, this conclusion is essential for everyone's wellbeing. For those that have already registered for the conference, the UNC executive will be having a teleconference shortly and will contact all registrants via email with information soon. If you have already reserved a room, please cancel your hotel reservation.

The UNC board has received many applications for the awards program; thank you for your applications. We will be holding on to all awards submissions at this time. The UNC conference planning committee and executive board thank you for your understanding and support during these extraordinary times.

Courtney Ware
Chair, UEC 2020 Victoria
