

Nursing Education Initiative (up to 2 awards)

The Nursing Education Initiative is a reimbursement program providing financial assistance to Urology Nurses of Canada (UNC). Grants of up to \$500.00 are available to support nurses engaging in continuing educational events for the enhancement of knowledge, professional skills and patient outcomes specific to the practice of urology. Funding of up to 2 awards is provided by the generous donations of national corporate sponsors and donations from UNC members.

Eligibility Criteria:

- The applicant must be a member of UNC a minimum of one year preceding the application.
- Applicants must be enrolled in a course, workshop or conference that is directly related to the enhancement of their practice and the care of urological patients.
- Expectation of the successful applicant(s) is: A short article for the Pipeline on the impact on your specific practice due by April 15th the following year.
- UNC members are only eligible to receive one UNC nationally funded award per year.

How to Apply:

Please submit this application electronically to Vice President listed on main page of the Funding / Awards tab on the unc.org web site within 3 months following completion of the course/event and include the following:

- Copy of receipt from course/workshop or conference
- Proof of attendance

Thank-you for your Submission

We will contact you electronically on receipt of your application
